PEEK

Look it's Taylor Swift!

Wanna take a romantic carriage ride with Nick?

Tiger Beat caught the Jonas Brothers filming their 3-D movie (which comes out Feb. 22, 2009!) in New York City. Joe put on a police officer uniform to direct traffic and even fake-arrest a kid! Nick took the reins for a horse-drawn carriage ride around the park, while Kevin manned a JoBro-themed hot dog cart. Jonas pal Taylor Swift flew to NYC from her tour to take part in the fun, too!

They're Friends!

Selena

Selena Gomez hit up Zuma Beach in Malibu, CA for a late-summer beach day with her family, cousins and *Wizards of Waverly Place* costar David Henrie. Selena chowed down on snacks such as Doritos and played in the water.

Time out to snap a pic of the water!

Selena enjoyed her relaxing day by building sand castles. Cute!

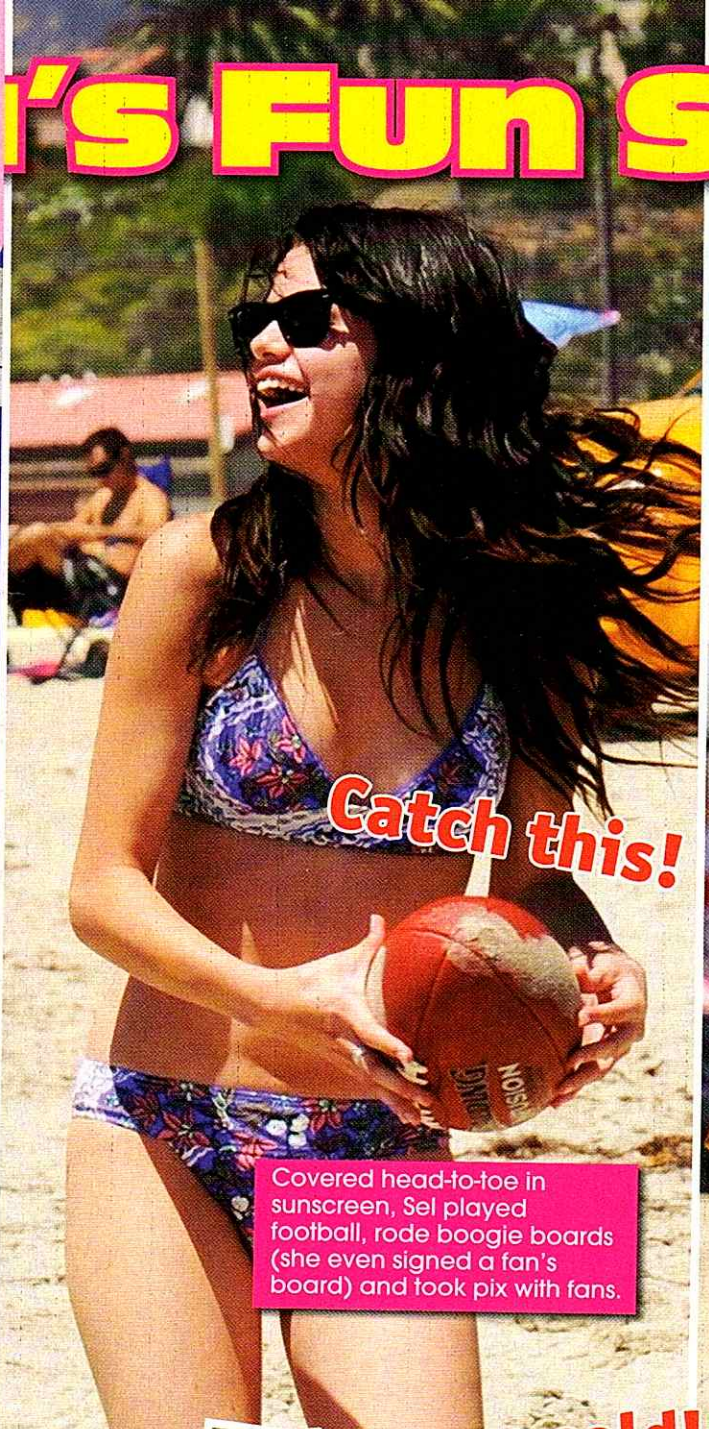
's Fun Summer!



Catch this!

Covered head-to-toe in sunscreen, Sel played football, rode boogie boards (she even signed a fan's board) and took pix with fans.

Phew! What a day! Selena packs up her stuff in reusable grocery bags (she's way into recycling), texts a mystery pal and heads home. "We had so much fun," she said about the day.

The water was cold!

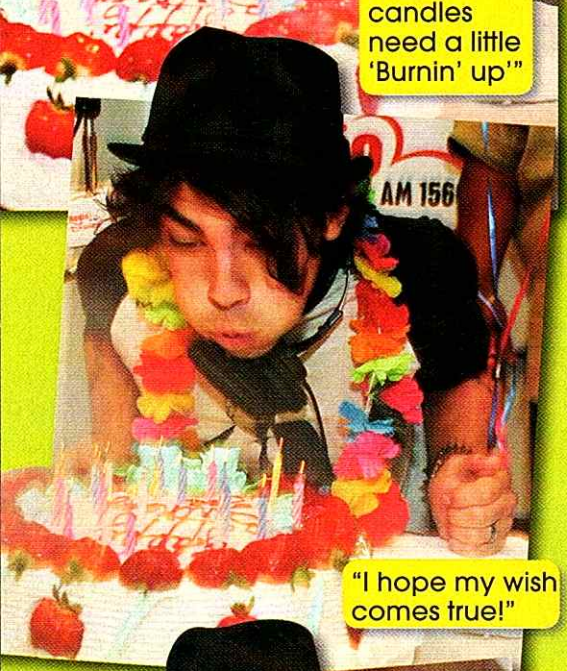
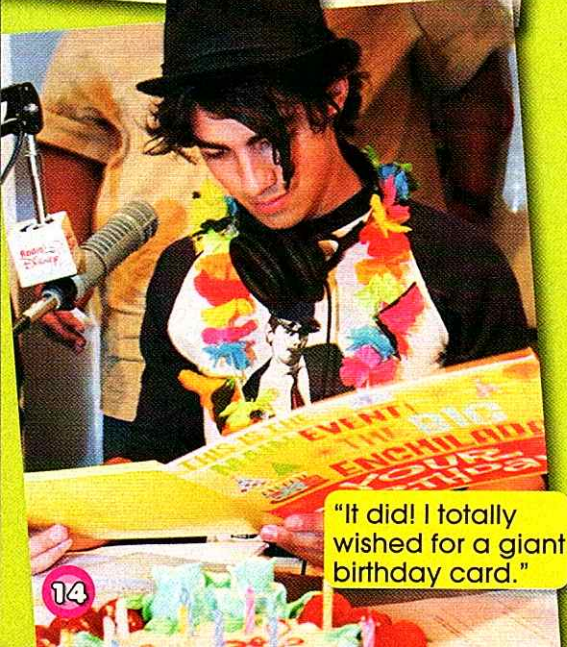
Joe Turns 19 &





TIGER beat: Congratulations on your 19th birthday, Joe.

JOE: Thank you! I got a sweet gift. At midnight on my birthday, I got a motorcycle.

KEVIN: Yeah, we got him a motorcycle with a sidecar.

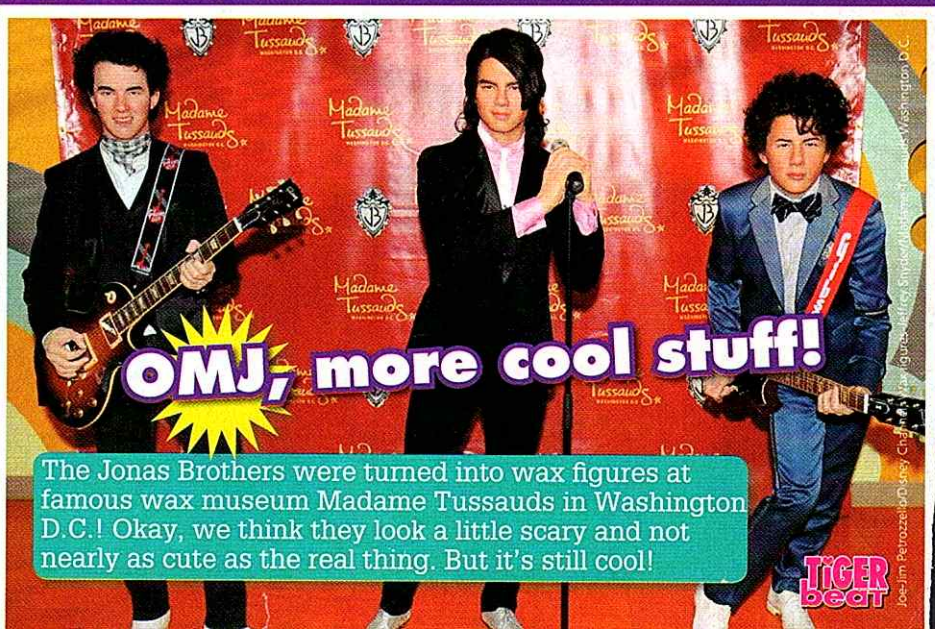
NICK: He's always wanted a motorcycle.

TIGER beat: That's so sweet. Some people wonder if you guys are really friends. How do handle being together 24/7?

KEVIN: We get along really well. I think people are surprised that we love hanging out and doing things together.

TIGER beat: Is it hard not to let fame go to your head?

JOE: We really enjoy what we're doing and have fun. We don't take advantage of what we have. Everything we do we try to stop and take a mental picture of it or record it in our memories, because we do such cool things every day. Fans are the best, and when you get onstage and see them going crazy there is no way you can complain. There's no doubt that we'll enjoy these moments forever.



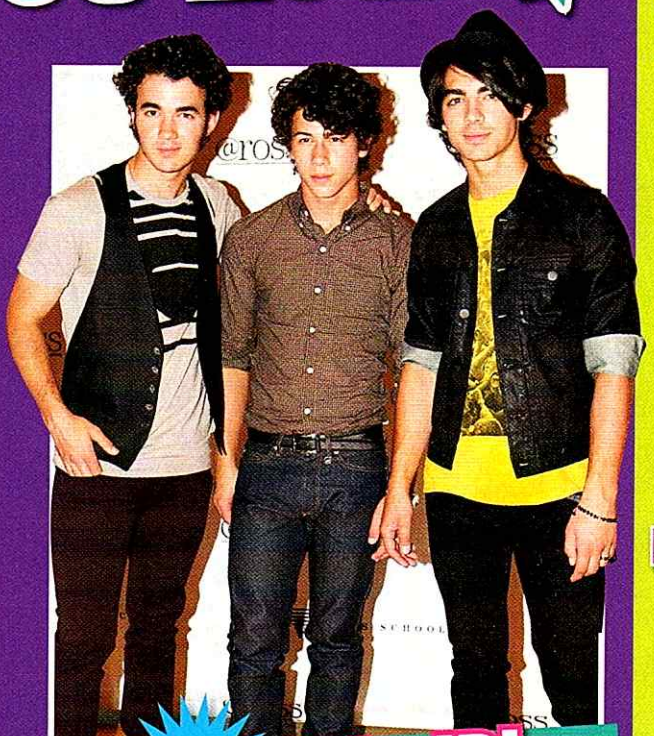
OMJ, more cool stuff!

The Jonas Brothers were turned into wax figures at famous wax museum Madame Tussauds in Washington D.C.! Okay, we think they look a little scary and not nearly as cute as the real thing. But it's still cool!

Joe-Jim Petrozzello/Disney Channel; figures-Jeffrey Sinnace/Madame Tussauds Washington D.C.

more JB news!

The Jonas Brothers get personal with *Tiger Beat* about Joe's birthday, how they stay grounded and if they are friends as well as bandmates.



TIGER BEAT: How do you stay healthy, fit and ready to go every day?

JOE: Sleep is important, and we have a really good team around us, especially mom. She is around to make sure we take the right vitamins every day. Plus, you'll see us go through 14 water bottles, individually, every day. And we don't complain when it's time to go to bed.

TIGER BEAT: What are your plans when the tour ends in September?

NICK: After tour we do a little bit of promotion in Europe for *Camp Rock* — which is being released over there — then get under production for *J.O.N.A.S.* We'll be in California for a while shooting that, and now we're already talking about a world tour next summer!

The Jonas Brothers won all six categories they were nominated for at the awards, making them the hottest band on the planet!

THE NEXT ALBUM!

OMG, the guys are already working on album #4.

TIGER BEAT: OMJ, you are already working on your next album?

NICK: Yeah, it's our passion. We love it. We wouldn't do anything else. We are four to five songs into our 4th album. We always keep it moving.

TIGER BEAT: Are you doing it on the studio tour bus again?

KEVIN: Yeah, and other artists are going to come on the bus and work with us.

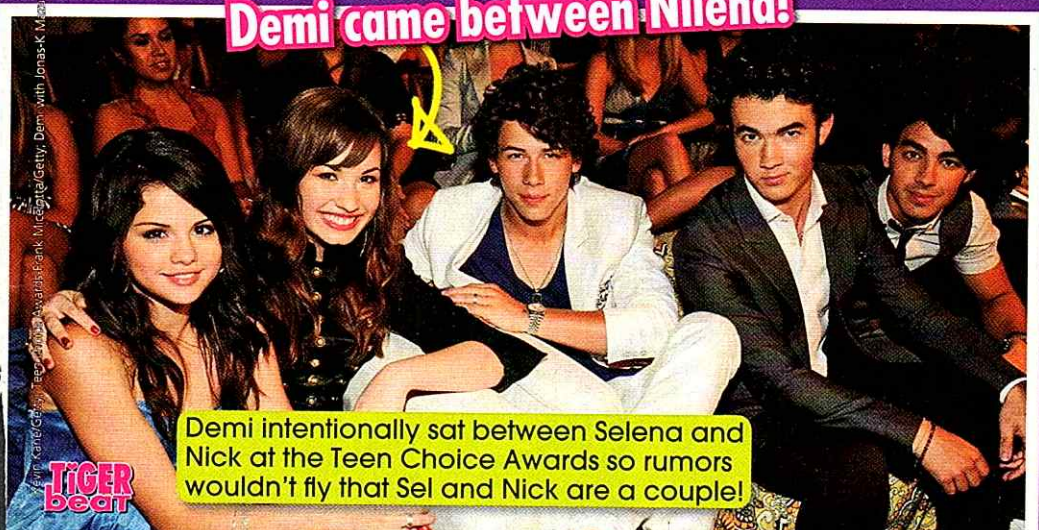
NICK: It is really hard because you are driving on the road, but it is a really exciting process, and it keeps the creative energy flowing.

TIGER BEAT: What is the Jonas Brothers' ultimate mission?

NICK: Our ultimate goals are to continue what we are doing and tour for a long time. And we're starting to produce for other artists, write for other artists and just have a lot of fun.

EXCLUSIVE: *Tiger Beat* takes video on their actual tour bus and gets a tour from JB's sound check guy. Watch it at tigerbeatmag.com

Demi came between Nilena!



Demi intentionally sat between Selena and Nick at the Teen Choice Awards so rumors wouldn't fly that Sel and Nick are a couple!

ANOTHER DAY WITH JONAS!

When *Tiger Beat* hung out with the Jonas Brothers during their golf game in Raleigh, North Carolina, the guys' competitive edge came out!

"Kev & Nick better step up their game!"

Before they tee'd off, Joe was already showing us that he was #1.

Kevin and Nick explained how it works. "Nick is the official scorekeeper," Kevin says. "You'll notice strokes get taken off of Kevin's score and I have to be a stickler about it," Nick explains. "He'll question you no matter what," Kevin teases. "I think it might be the only thing that gets heated with us."

Heading out onto the green, Joe scoped out his shots from his golf cart.

Nick, who did well at the driving range, lost his ball in a nearby creek and tried to fish it out.

Joe and Kevin had similar unlucky strokes and got caught in the sand pit!

"DOH!"

By the end of the day the guys were playing great and ready to rock. They even did sound check in their golf cleats!

Cleats!

They totally wowed their fans that night!

1. Jonas make history!

Everyone wants a piece of the Jonas Brothers – even the Rock and Roll Hall of Fame! The trio donated outfits from the *A Little Bit Longer* CD cover to the rock museum. They're also eligible to be in the Hall of Fame, but not until 2030! "That would be such an honor," Joe says.

2. *Hannah* Hunk Showdown

Tiger Beat asked Miley Cyrus to compare her TV show crush Cody Linley with her *Hannah Montana* movie boyfriend, Lucas Till. "It's more realistic in the movie," Miley tells *Tiger Beat*. "It's more of a true-love thing between Hannah and Lucas than just puppy love."

3. "Demi and I are cool"

Cody Linley tells *Tiger Beat* that he wants to star in a movie with his ex-gf Demi Lovato! "She's an awesome actress and we work great together," Cody smiles. "Maybe one day we'll be in a movie. If that doesn't happen, I'll write my own script and I will put her in it."

4. Harry Potter disappears!

Harry Potter and the Half-Blood Prince movie was pushed back from November 2008 to July 2009. What happened? Warner Bros. wanted a summer release date and a shorter wait time between the *Half Blood Prince* and the two-part movie based on the final book.

5. "Mean girls helped me"

Tiger Beat asked Ashley Tisdale about mean girl drama, and her answer surprised us! "There were mean, jealous girls at my school," Ashley says. "The experience taught me to always keep my head up and keep going. I've gotten a really thick skin over the years."

6. Josh's crush confession

Josh Hutcherson spills about dating a fan. "It depends because I want to get to know her first," Josh tells *Tiger Beat*. "I'm not going to hold it against her if she's a fan. That's like me saying I can't date Rihanna because I'm a fan of her music. Like that would ever happen!"

7. "I room with my bro!"

Sharing a room with your sib isn't as bad as it sounds, according to Nathan Kress. The *iCarly* star splits a bedroom with one of his two older brothers. "We have bunk beds, but I get the top bunk," he says. "I've also got signed posters up from bands like the Plain White Ts."

8. "Miley's on my iPod"

Miranda Cosgrove sang between takes at her *Tiger Beat* photo shoot in Hollywood, so we just had to ask what's on her rockin' iPod. "I really like Metro Station," Miranda spills. "I think they're cool. I also like Paramore and Miley Cyrus – but I still have to get her album."

ONLY IN TIGER beat

"I'M MAKING A CD!"

Miranda Cosgrove gave *Tiger Beat* the scoop on her new passion — singing!

"You're gonna LOVE it!"

Miranda Cosgrove's dream came true when she landed the lead role on *iCarly*. Now she's ready to pursue her love of music by recording an album! "It's pop and rock," Miranda tells *Tiger Beat*. "Most of the songs are just really fun to listen to and I want everyone to have a good time when they hear them."

"My friends inspire me"

Miranda says she gets most of her musical inspiration after chatting with her best friend. "Usually when I'm talking on the phone with her I come up with good ideas," Miranda explains. "She always tells me stories about school and the guys she likes, so sometimes something will just pop into my head during our conversations."

Friends help Miranda when she gets stuck writing a song!

"I love both acting and singing"

It can be tough balancing two jobs, but Miranda is up for anything! "Whether I'm in the studio or on the *iCarly* set, I'm really focused on what I'm doing at that moment so things don't get too crazy!" she laughs. Miranda stays calm by drinking tea and talking with her costars Nathan Kress and Jennette McCurdy. "They are so much fun," she gushes.

Miranda would love to do a duet with Nathan and Jennette.

Are Miranda and Nathan making music together?

Miranda: "Sometimes we break into song during breaks at *iCarly*. Nathan even sings! He's really into the same bands that I'm into, like We the Kings and Paramore. He'll be humming something and the rest of the day we'll be singing that song! It would be cool to do a song with him."

Nathan: "They would have to digitalize my voice to make it sound any good! I'm probably going to stick with acting!"

EMILY'S Big Movie!

COOL CONTEST ALERT!

Emily Osment tells *Tiger Beat* all about her new movie, *Soccer Mom*, which is out on DVD September 30!

Emily plays Becca, a girl whose soccer team isn't winning. Then her mom pretends to be an Italian soccer star and becomes their coach.

TIGER beat: Hi Emily! We loved *Soccer Mom*. Where did you film it?

EMILY: We were here in California. We shot at a bunch of soccer fields in town. It was really nice because we were outside a lot. I met a lot of really cool people, and I got to play soccer.

TIGER beat: So did you play soccer very much growing up?

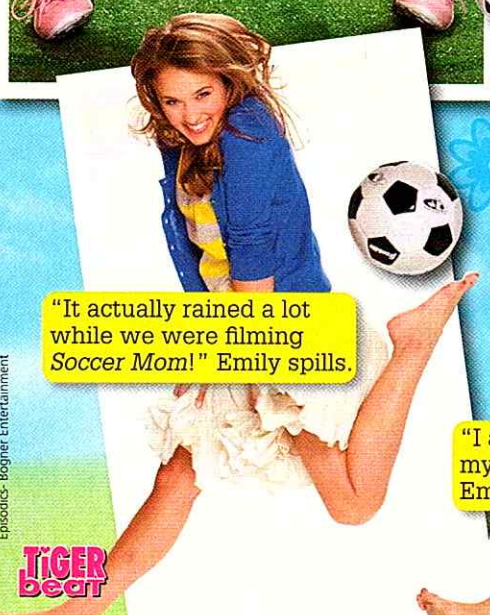
EMILY: I've been playing soccer since I was really little and I played up until 8th grade. When I was a freshman, *Hannah Montana* really kicked off and I wasn't at school a lot. It was tough to try and do a sport and do everything else.

TIGER beat: Your dad, Eugene, plays Marty in *Soccer Mom*. What was it like to work with your dad?

EMILY: A lot of people don't know that my dad is an actor. He was on set when the director said, 'Why don't you try out for this role? You're really funny.' It was so funny because my dad's not a goofy guy and he was just so goofy and hilarious. I was like, 'I don't know who you are.'

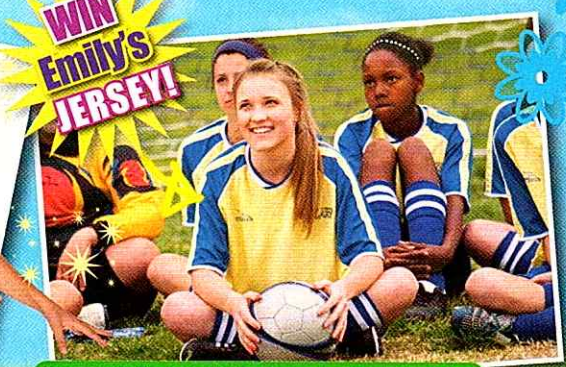
TIGER beat: Were there any embarrassing moments on the set of *Soccer Mom*?

EMILY: There was this scene where I was supposed to kick the ball at Missi (Pyle, who plays Emily's mom and also her coach) who was right over the camera. I was like, 'Hey! Over here, Coach.' and I kicked it and it went straight into the camera. I was like, 'Oh my gosh, I'm so sorry!'



"It actually rained a lot while we were filming *Soccer Mom*!" Emily spills.

"I always played on my school team." Emily told *Tiger Beat*.



You can win this jersey that Emily wore in *Soccer Mom*! To enter to WIN, write your name, age and address on a piece of paper, and send it to: **EMILY'S JERSEY**, 330 N. Brand Blvd., Suite 1150, Glendale, CA 91203. Good Luck!

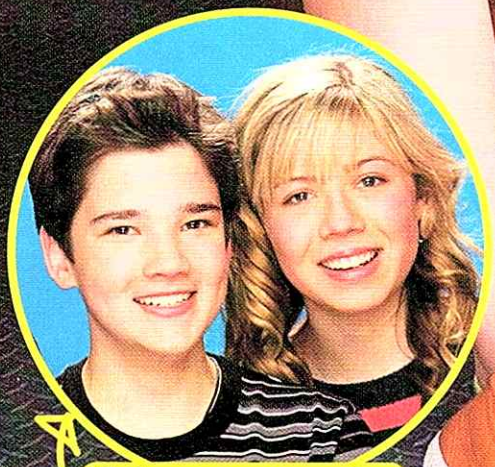
"How I Beat My FEAR!"

iCarly star Jennette McCurdy explains how her day with *Tiger Beat* helped her get over one of her biggest fears.

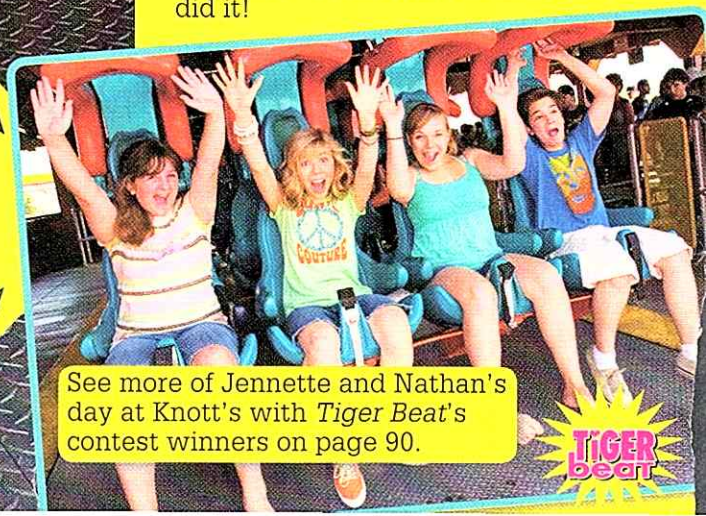
When *iCarly* castmates Jennette McCurdy and Nathan Kress took *Tiger Beat*'s Fly Free to Hollywood contest winners to Knott's Berry Farm, there was one thing Jennette was not looking forward to: rollercoasters. "I get nervous going on roller coasters," Jennette admits of the fear she's had since she was a child. "I was so scared."

When they got on the giant roller coaster called The Silver Bullet, Jennette instantly felt a lump in the bottom of her stomach. She even thought about just letting Nathan and the contest winners go on the ride without her. But then she decided to conquer her fear and go for it. As she stepped on the ride and closed her eyes, she remembered to do something: "When I'm terrified I think happy thoughts. I'll think of ice cream cones and things like that," she explains. "It ended up working." She did it!

Corbin and Phoenix c/o Scott Appell, Jonas-Scott Grev/Getty



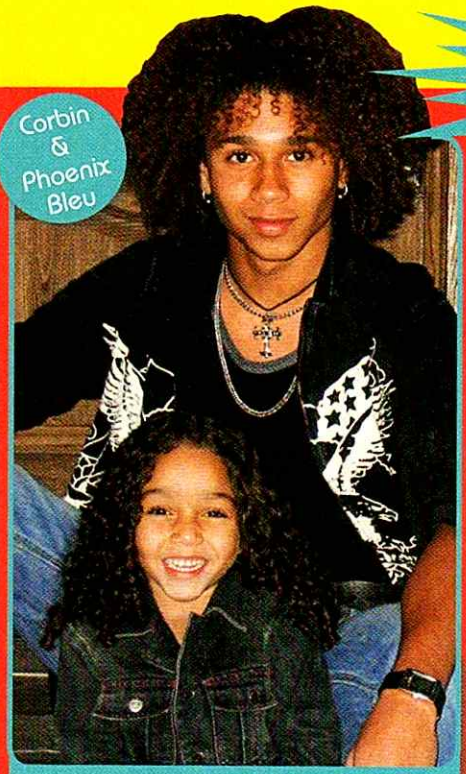
Nathan encouraged Jennette to take a chance on the coaster!



See more of Jennette and Nathan's day at Knott's with *Tiger Beat*'s contest winners on page 90.

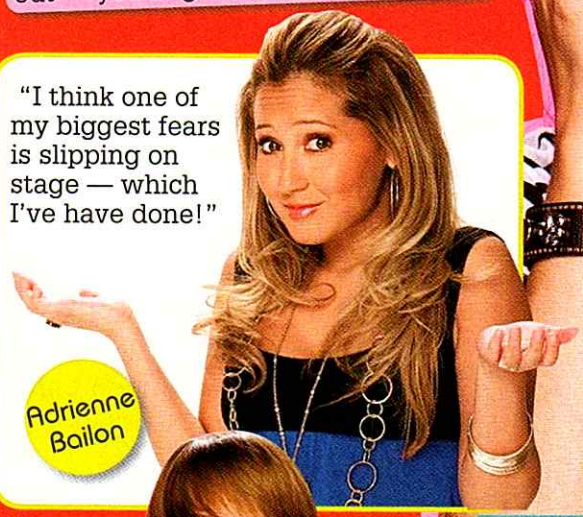
"I'm Scared!"

Read about what freaks these celebs out — you might be surprised!



Corbin & Phoenix Bleu

"Losing my little sister, Phoenix, would be the worst thing ever. Once, when she was 6, we were at her dance recital, and when they finished the show, all the parents went up on stage and started grabbing kids. It was a mob scene and Phoenix got lost. We ended up going outside and were screaming trying to find her. Finally, a parent ended up bringing her up to us and she was crying because she couldn't find us, either. I didn't let her go the rest of the day!"

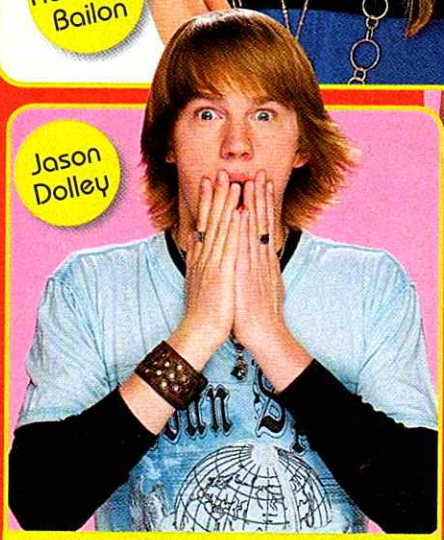


Adrienne Bailon

"I think one of my biggest fears is slipping on stage — which I've have done!"

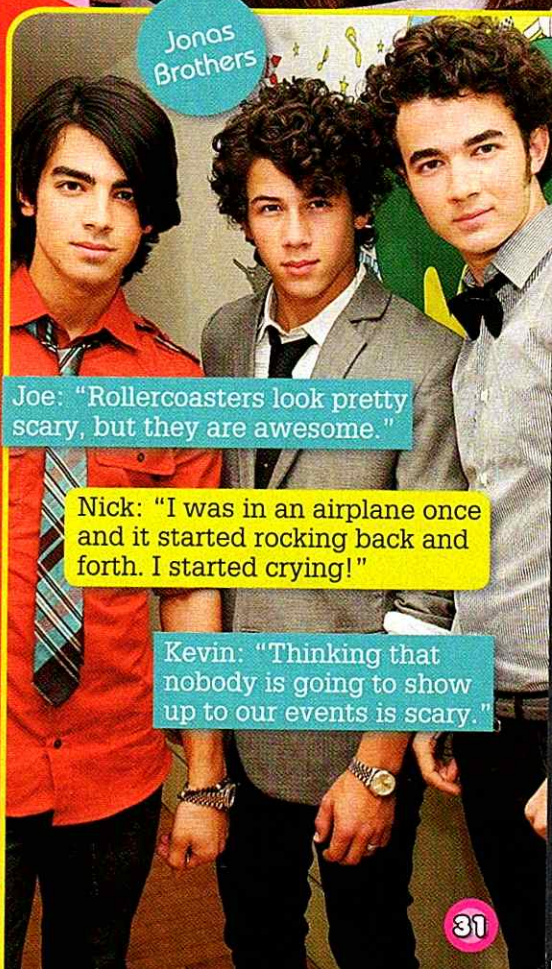
Selena Gomez

"My biggest fear is probably falling asleep in the bathtub. I don't want to drown, but I like to take baths and read in there."



Jason Dolley

"Spiders! I hate when spiders sporadically show up in my house. Or sometimes I'll walk in the doorway and a spider will just be right there! Squash!"



Jonas Brothers

Joe: "Rollercoasters look pretty scary, but they are awesome."

Nick: "I was in an airplane once and it started rocking back and forth. I started crying!"

Kevin: "Thinking that nobody is going to show up to our events is scary."

Miranda Cosgrove

"Spiders! They kind of freak me out!"

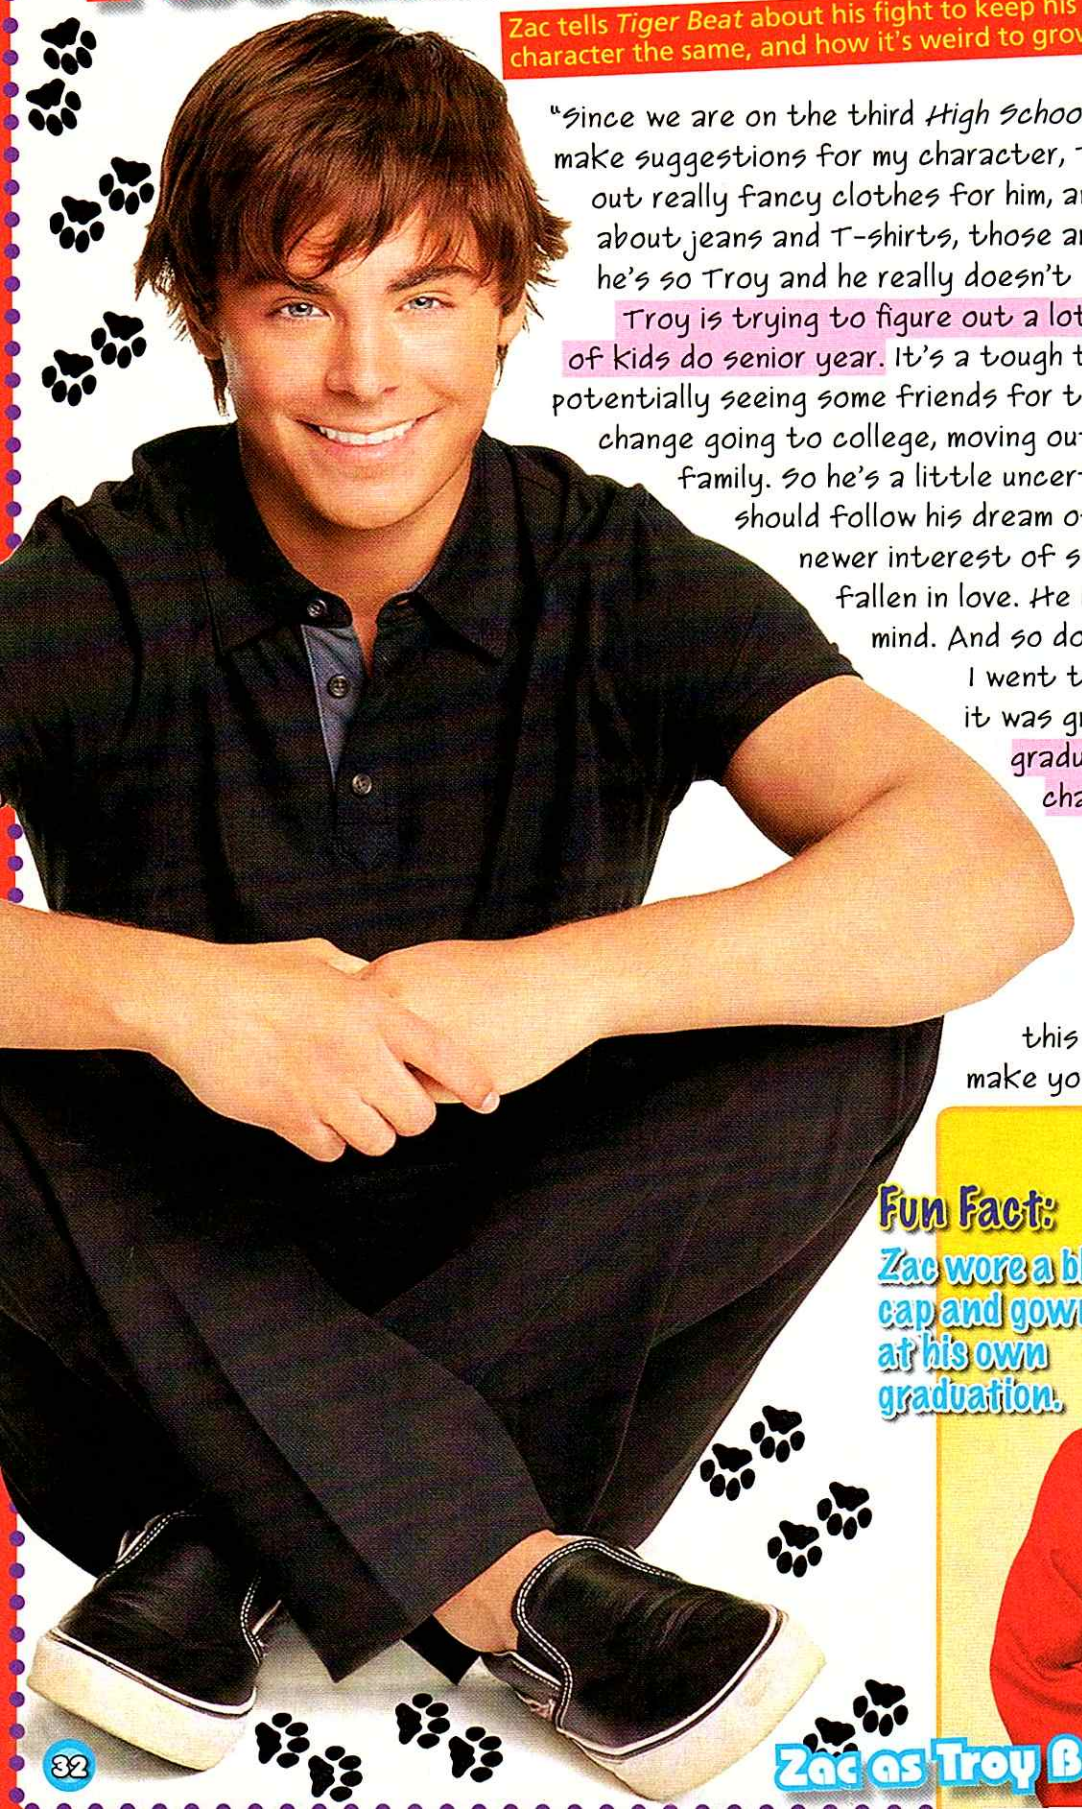
HSM 3 NEWS:

"I wouldn't let them change Troy!

Zac tells *Tiger Beat* about his fight to keep his character the same, and how it's weird to grow up.

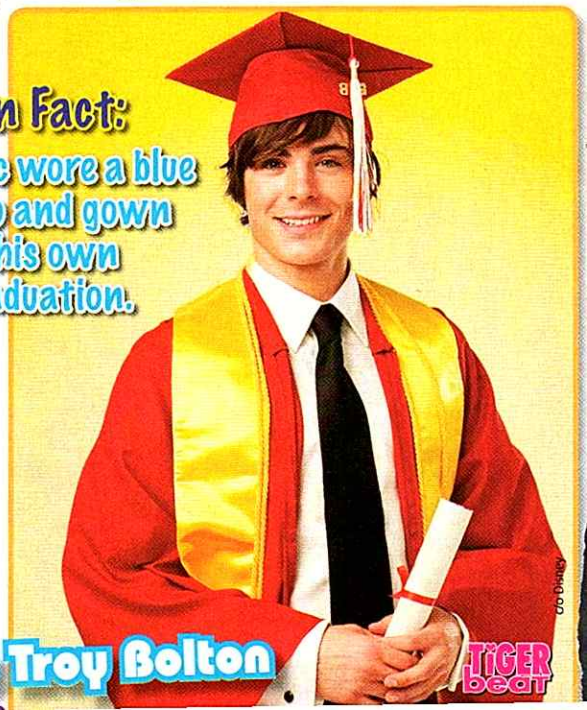


"Since we are on the third *High School Musical* movie, I feel I can make suggestions for my character, Troy. People liked to bring out really fancy clothes for him, and I'm like, 'No!' Troy is all about jeans and T-shirts, those are all he wears. That's it, he's so Troy and he really doesn't care.

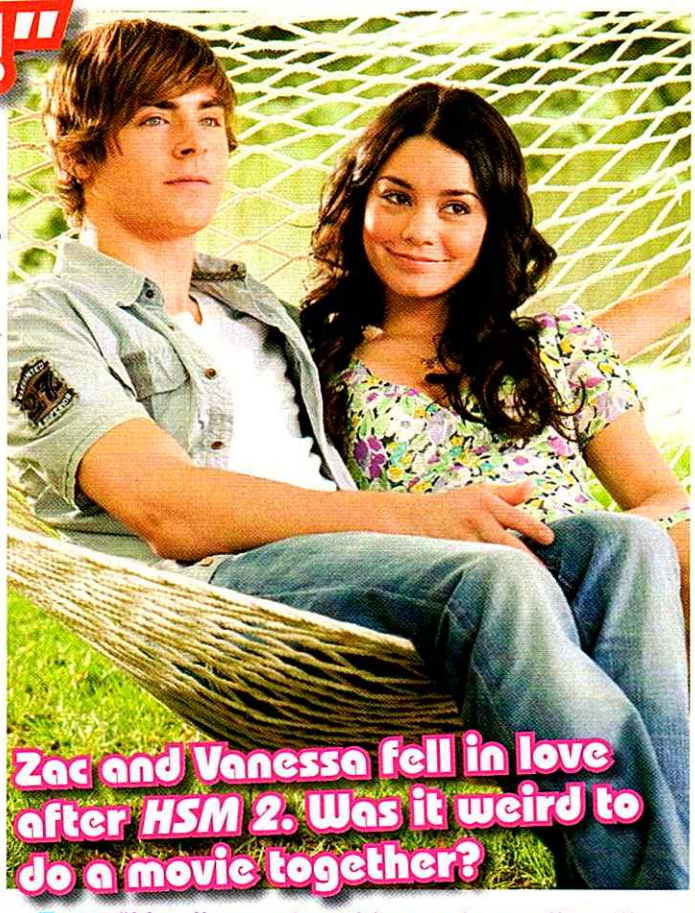
Troy is trying to figure out a lot of things that a lot of kids do senior year. It's a tough time in your life — you're potentially seeing some friends for the last time. It's a big change going to college, moving out and being away from your family. So he's a little uncertain. He doesn't know if he should follow his dream of playing basketball or his newer interest of singing on stage, and also he's fallen in love. He has a lot of things on his mind. And so do I.

I went to my own graduation and it was great. This feels like we're graduating from a very important chapter in all of our lives. *High School Musical* is how it all began for us, and there's no describing how many good times we've had filming these movies. The idea that this could be the last time does make you a little emotional."

Fun Fact:
Zac wore a blue cap and gown at his own graduation.

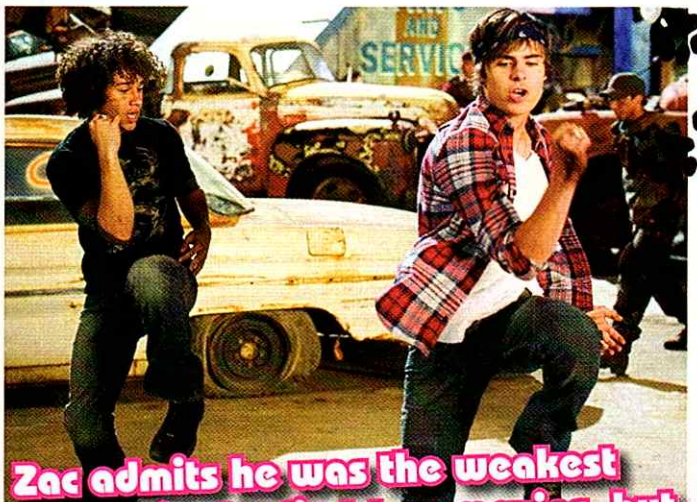


Zac as Troy Bolton



Zac and Vanessa fell in love after *HSM 2*. Was it weird to do a movie together?

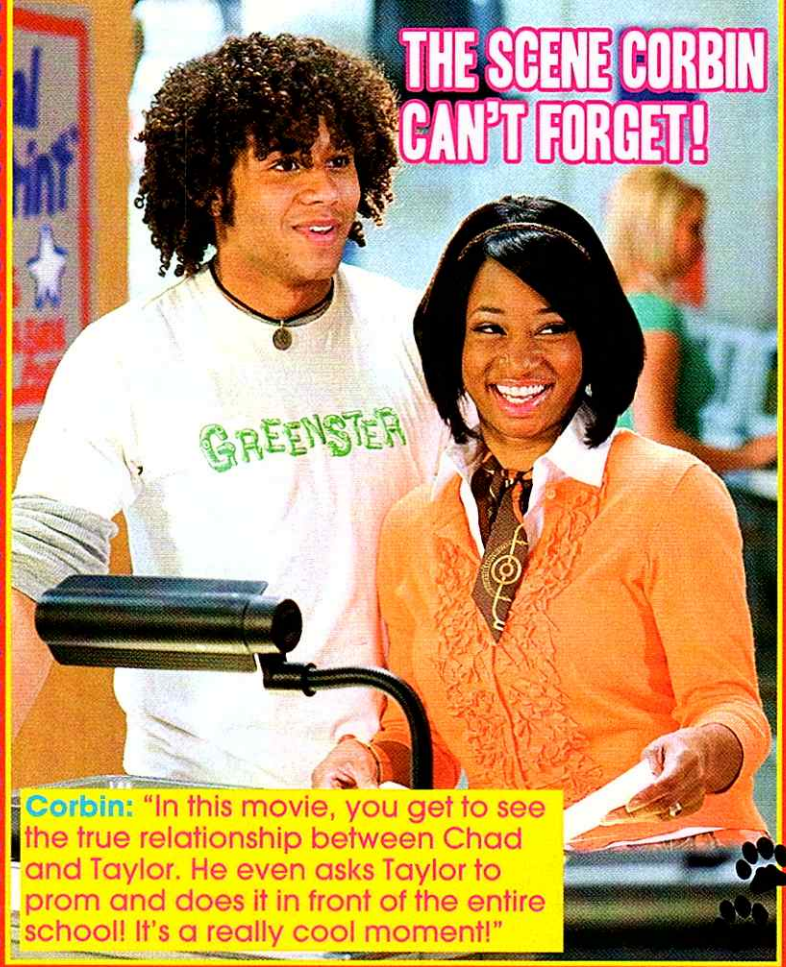
Zac: "No, it was fun. I have to waltz with her! That was so hard because you have to be in the right place at the right moment at the exact right count or you've ruined it and have to do it all over!"



Zac admits he was the weakest dancer in the first two movies, but his costars say he changed.

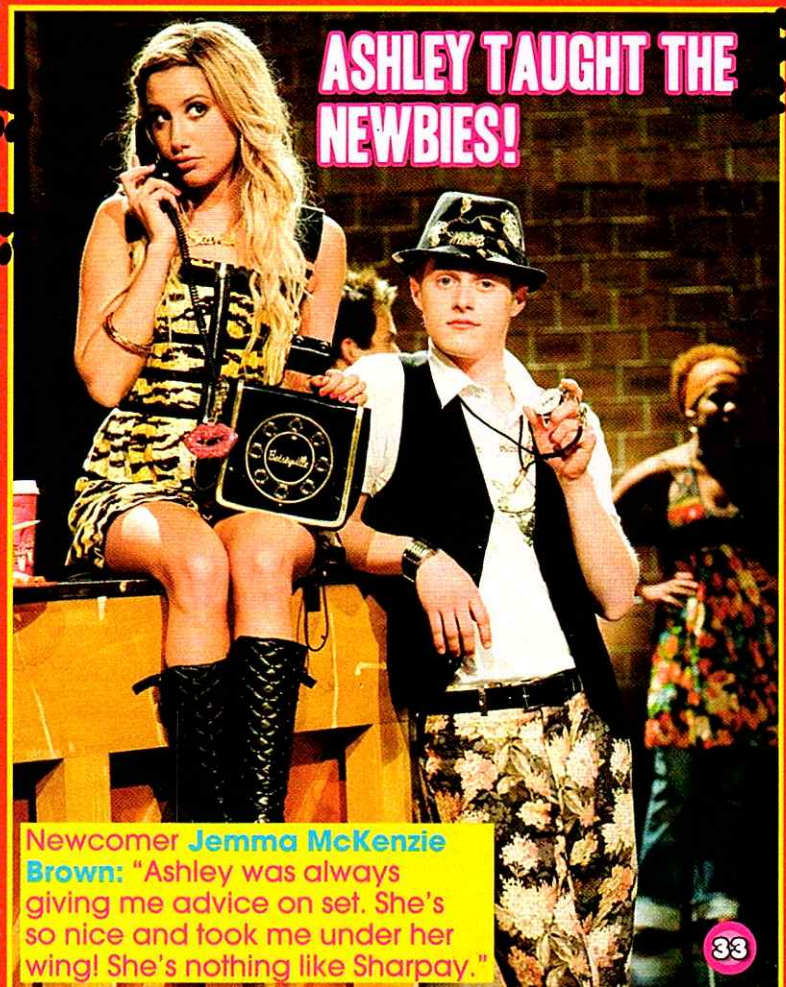
Corbin: "Zac's come such a long way — especially with his dancing! He's so good. In our dance number together we worked really hard and it just clicked. It was so cool."

THE SCENE CORBIN CAN'T FORGET!



Corbin: "In this movie, you get to see the true relationship between Chad and Taylor. He even asks Taylor to prom and does it in front of the entire school! It's a really cool moment!"

ASHLEY TAUGHT THE NEWBIES!



Newcomer **Jemma McKenzie Brown:** "Ashley was always giving me advice on set. She's so nice and took me under her wing! She's nothing like Sharpay."

COOL CONTEST ALERT!

CORBIN BLEU
(Chad Danforth)

"I think he sticks to his plan and gets into the NBA. That's been his plan for so long that I can't see him being happy doing anything else!"

MONIQUE COLEMAN

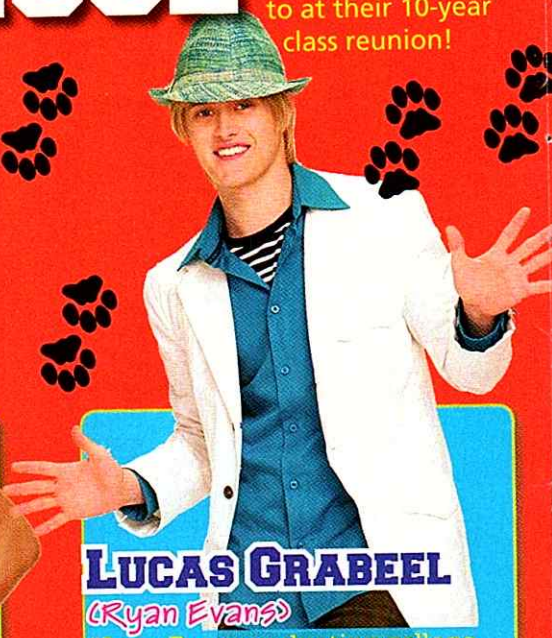
"Taylor's going to be president or in some sort of office."



LUCAS GRABEEL
(Ryan Evans)

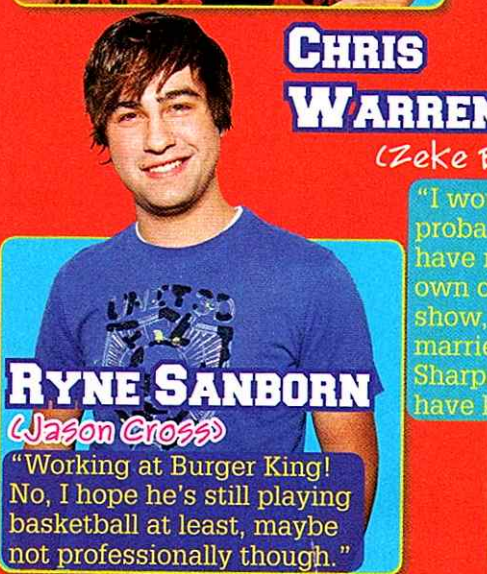
"I see Ryan graduating college and auditioning for Broadway. He definitely stays in New York."

KAYCEE STROH
(Martha Cox)

"Martha will be making music videos so she can dance!"

OLESYA RULIN
(Kelsi Nielsen)

"I hope Kelsi doesn't make a 10-year plan. I think she's a free spirit and just goes where the wind blows her."



RYNE SANBORN

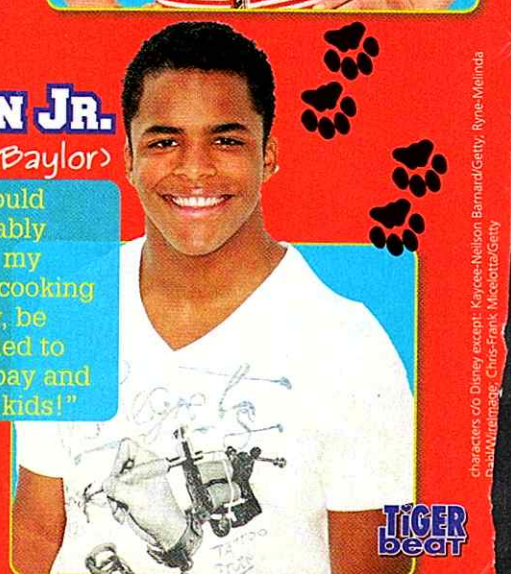
"Working at Burger King! No, I hope he's still playing basketball at least, maybe not professionally though."



CHRIS WARREN JR.

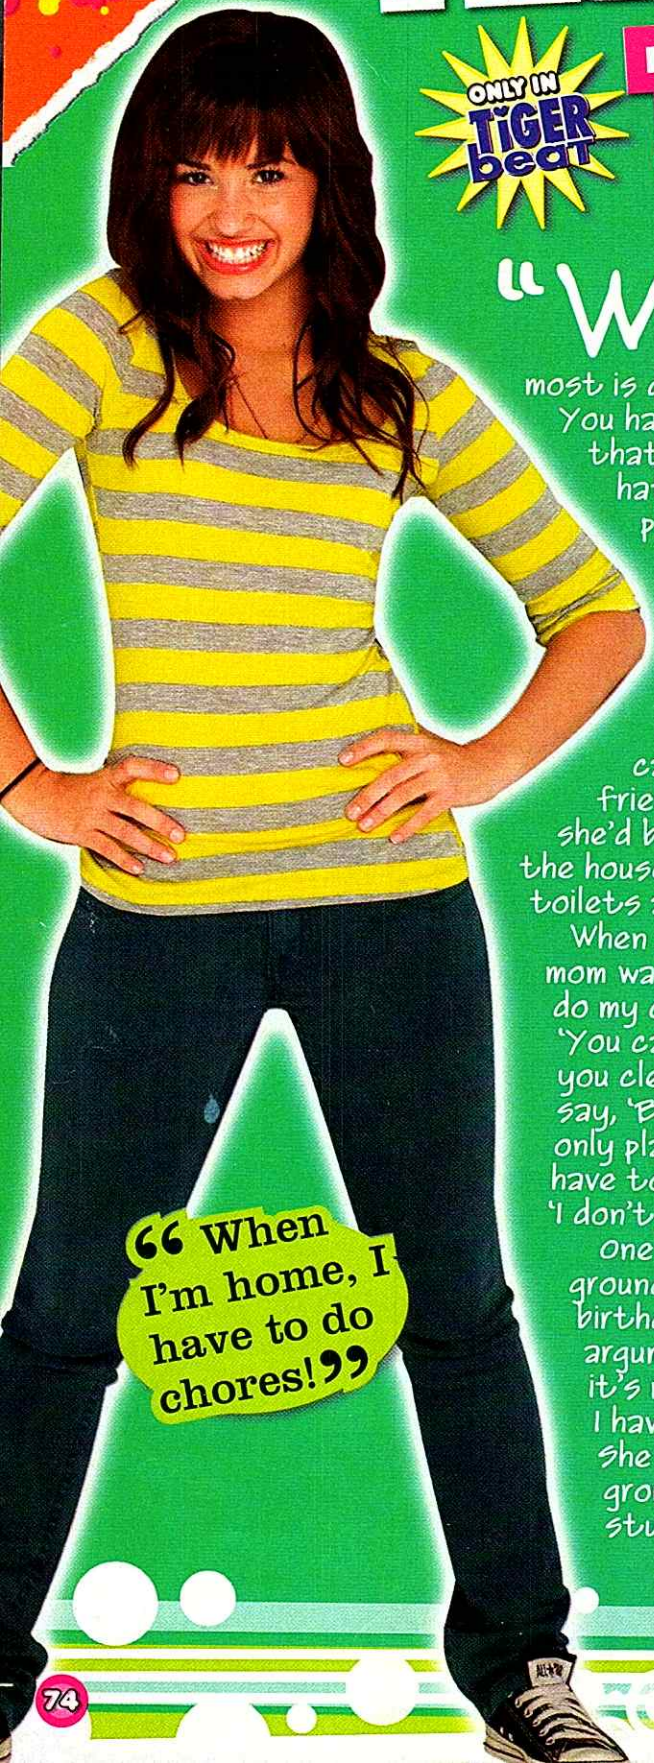
"I Have Chores, Too!"

ONLY IN TIGER beat

Demi Lovato only tells *Tiger Beat* about being a normal teenager like you!



"When I'm home, I have chores to do! The chore I dread the most is dishes. It's so gross. You have to wash forks that your dad used. I hate that, but I like playing in the water.

If I had a friend coming over, my mom would make me clean the whole house. I'd be like, 'Mom, can I have a few friends over?' and she'd be like, 'Yeah, clean the house. Make sure the toilets are clean.'

When I was younger, my mom was tough if I didn't do my chores. She'd say, 'You can't go out unless you clean your room.' I'd say, 'But mom, the movie only plays this night, we have to go.' And she'd say, 'I don't care.'

One time I was grounded on my birthday. We got in an argument. I said, 'Mom, it's my birthday and I have to have fun!' She said, 'I don't care, I grounded you.' And she stuck to it!"

"When I'm home, I have to do chores!"

Even though they're super tight, Demi's mom Dianna is tough on chores.

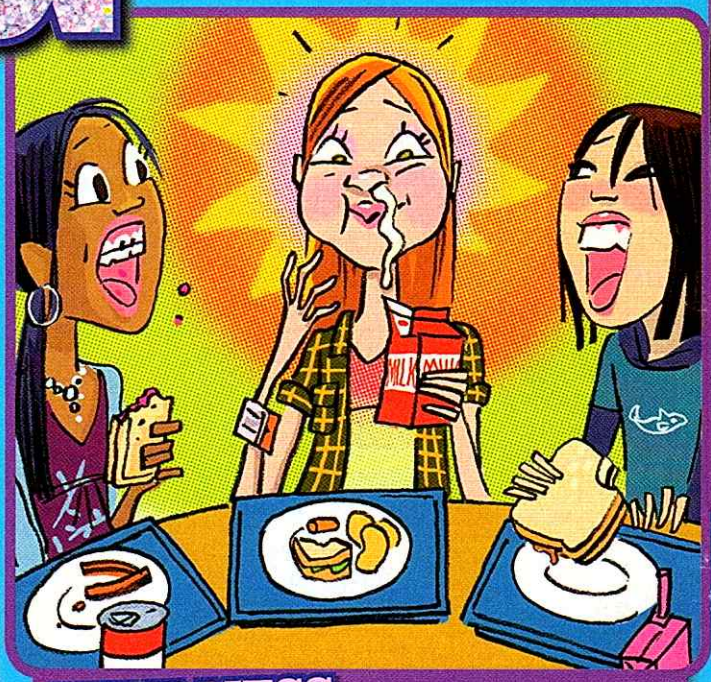
Camera Crash

Jennette McCurdy

"I was running down the stairs in a scene — and I fell onto my back! It was clunk, clunk, clunk — and my arms were flailing! I knocked down everything in sight. It was just so insane! The cameras were still rolling, so I had to pretend that everything was okay even though I thought I broke my pinkie!"



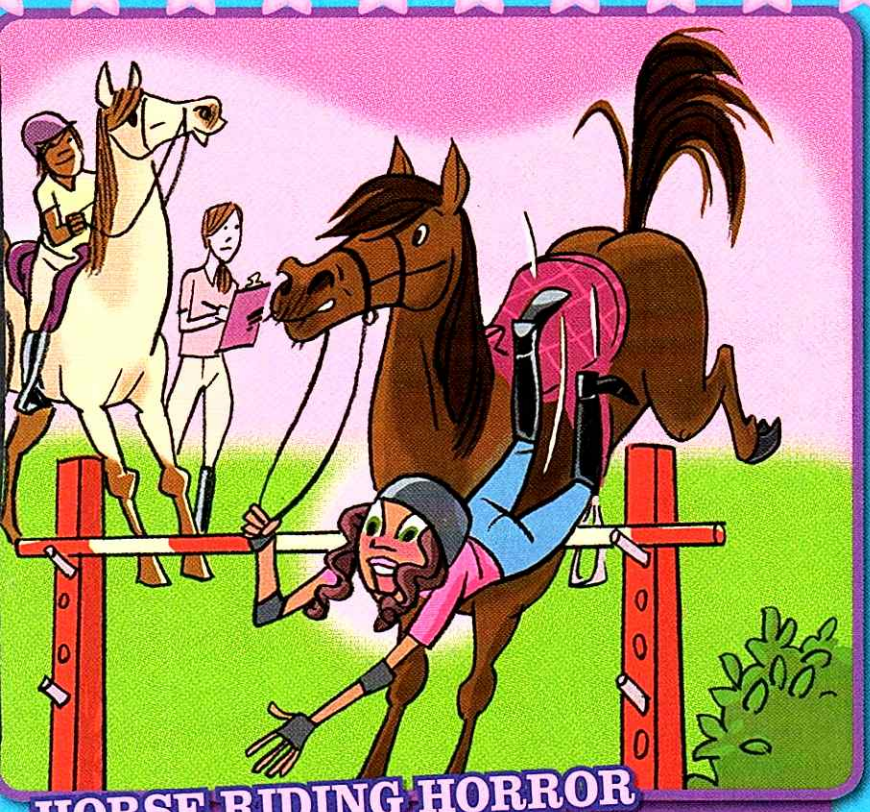
MILK MESS

During lunch at school, my best friend told the funniest joke and our whole table was laughing up a storm. I started giggling uncontrollably and couldn't stop. Unfortunately, I had just taken a huge gulp of milk. Everyone thought I was going to spit it out, but then some milk actually dribbled out of my left nostril! It was totally disgusting, and the entire school witnessed it! —Julia, AZ

SEE-THROUGH SCRAPE

I was at a school dance and thought I looked great in my new white dress. I saw my crush in the corner with a bunch of his friends. Since they kept glancing over at me, I thought he wanted to ask me to dance but was too shy. I decided to go ask him instead, when suddenly he called out, "Nice underwear!" I looked down and realized everyone could totally see my bright red underwear underneath my dress! I had forgotten all about it! I hid in the bathroom for the rest of the night.

— Victoria, FL



HORSE RIDING HORROR

While I was away at horse riding camp, I wanted to show off my new skills to my crush. We were practicing jumps, and when I got to mine, my horse came to a sudden halt and I tumbled right over the jump! Thankfully, I was wearing all my protective gear, but that didn't stop my ego from getting seriously injured. Even worse, the camp instructor said I needed more training and put me in a beginner's class where I couldn't see my crush anymore! —Joanna, TX

VOLLEYBALL VACATION

I was at the beach with my best friend when a volleyball landed near my feet. Some supercute boys were playing, so I decided to flirt and ask if I could join the game. I hit the ball back as hard as I could, but it went in the opposite direction and rolled all the way into the ocean! The boys had to run in and get it back. I've stayed away from that beach ever since! —Cassie, NJ

CLASSROOM CRISIS

My crush sits behind me in English class and I always get in trouble for turning around to talk to him. One day I guess I went too far because the teacher yelled in front of everyone, "Can you talk to your boyfriend after class, Michelle?" I turned bright red and tried to explain that he wasn't my bf, but the damage was done. Needless to say, I don't think there's much hope of him becoming my boyfriend now! —Michelle, WA

POOPER PROBLEM

My mom asked me to do "poop patrol" in our yard and pick up after my dog. I always hate the job, but this time was even worse because right as I picked up the first scrap, I spotted my crush walking toward my house. Forgetting that I had just picked up my dog's poop, I waved to him, pooper-scooper in hand. A huge chunk flew out of the scooper, landing right on his chest! I was so embarrassed that I ran back into the house. No wonder he didn't talk to me for a whole week! —Molly, CT

COOL CONTEST ALERT!

ONLY IN TIGER beat

"Selena and I Clicked Right Away!"

Jennifer Stone plays Selena Gomez's best friend, Harper, on *Wizards of Waverly Place*. She chatted with *Tiger Beat* about their special bond.

TIGER beat: Why do you think you and Selena are such good friends?

Jennifer: Selena and I have the most in common. We're both the same age and we're both girls, so that's good. We have a lot of the same interests. She's so much fun to hang out with!

TIGER beat: Do you guys go to each other for advice?

Jennifer: We're always talking. It's nice because she's really there for me and I try to really be there for her. We know we can always go to each other to talk.

TIGER beat: Why do you think Alex and Harper are such good friends on the show?

Jennifer: I think it's kind of an "opposites attract" situation. They're so different — it just works. Sometimes when you're so different from your close friend you discover new things being with each other.

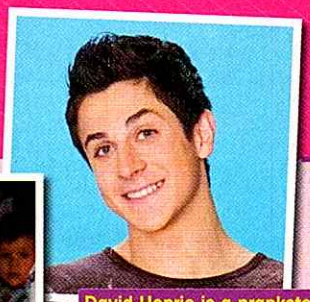
TIGER beat: How is it working with so many boys on the set?

Jennifer: Selena and I always talk about how we were both just "one of the guys" in our hometowns, so we're both right at home on set.

TIGER beat: What do you think makes a good friend?

Jennifer: A good friend is somebody who will always be there for you. It's someone who really cares about what happens to you and gives of themselves a little bit. If you can find somebody who will do that, hold on to them!

Jennifer and Selena made a YouTube video lipsynching to Jesse McCartney's "Leavin!"

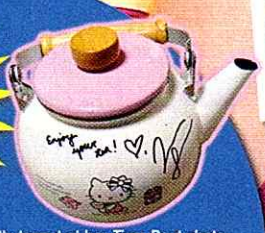


David Henrie is a prankster! "He's such a jokester, but when it comes down to business, he'll always get the job done!"

JENNIFER SPILLS SECRETS FROM THE WIZARDS SET!

Jake T. Austin forgets his lines the most! "His mind is always on a lot of things at once. That has something to do with it!"

WIN Jennifer's TEAPOT!



Jennifer loved this Hello Kitty teapot at her *Tiger Beat* photo shoot and wanted one lucky reader to win it! To enter to WIN, write your name, age and address on a piece of paper, and send it to: **JENNIFER'S TEAPOT**, 330 N. Brand Blvd., Suite 1150, Glendale, CA 91203.
